

New Source Review newspaper advertisements for construction permit applications December 21, 2020. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications will be published on the following dates: December 21-24, 2020. Public notices are generally published every week. The previous publication of public notices was December 15, 2020.

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 22nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (615) 532-0207. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Rogers Group, Inc. – Gallatin Asphalt with a mailing address of 421 Great Circle Road, Nashville, TN 37228. They seek to obtain an air contaminant permit (Division identification number: 83-0126-04/978655) for the modification of a Drum Mix Asphalt Plant Operation located at 245 Lower Station Camp Creek Road, Gallatin, TN, 37066. This existing operation would consist of a drum mixer, asphalt cement storage, crushed aggregate storage piles, and reclaimed asphalt pavement (RAP), and associated equipment used to produce hot mix asphalt (HMA). A baghouse is used for pollution control. The requested modification is to change production rate. There would be no physical construction. Regulated air contaminants are emitted by this source. Mr. J. Horton is the assigned Division person.
